- sneakers

For success in school and life:

😊 good attitude

EXTRA:

Small, inexpensive, simple calculator

Sincerely,

Mrs. Melody & Mrs. Lee

Welcome to the Sixth Grade!

We appreciate when students come to class prepared and ready to learn. Below you will find a list of items that you will need to begin sixth grade.

Necessary Materials:

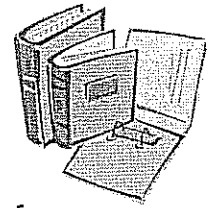

- A large 3 ring binder/Trapper to hold all supplies
- A 1 inch, 3 ring binder for Math (with pockets on the cover)
- 3x3 Sticky Notes (used in LA and Reading all year long)
- Two-pocket folders (one for each subject as well as an in/out homework folder)
- Grid notepaper (preferably 3 hole punched for math) to keep in math binder
- White lined paper
- Two spiral bound notebooks (for LA and Reading. 70 sheet, wide ruled)
- Ongoing supply of **PENCILS**, cap erasers and a hand held pencil sharpener
- Pencil case or pouch that remains in Trapper
- Calculator
- Colored Pencils
- Jumpdrive (a device that plugs into the computer's USB port and enables students to save large amounts of information for LA and other classes)

** Can be purchased at school store for about \$8.00*

Special Note:

We ask all sixth grade students to have a self-selected reading book with them at all times. Please bring a book of your choice to class on the first day of school as there might be time for you to read quietly at some point during the day. We are excited for the beginning of a new year and look forward to seeing you.

Sincerely,
The Sixth Grade Team

Dear Parents of Incoming Seventh Grade Students,

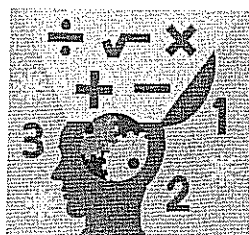

To make the start of the school year go smoothly, we have put together a list of items that should be purchased prior to your child's first day in seventh grade.

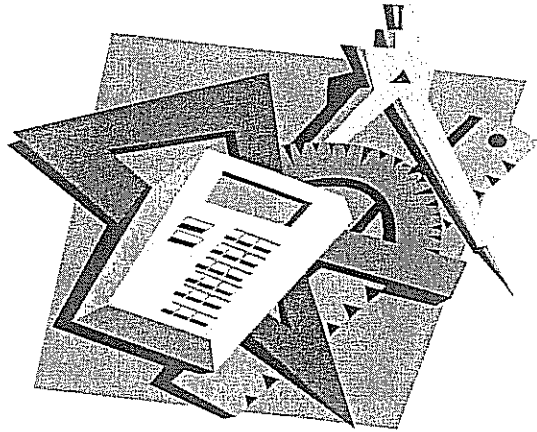

- ✓ **Pencils, pens and erasers (or pencil caps) every day for the whole year**
- ✓ **3- hole punched lined and graph paper (1/4") for the whole year (kept in trapper)**
- ✓ **A trapper** to hold a daily planner (which the school will provide), and paper and pocket folders for all subjects (including World Language and Related Arts)
- ✓ **Two one-inch three-ring binders – one for math and one for science**
 - With dividers
- ✓ **Two - three book covers**
- ✓ **Memory stick/flash drive (currently available at the school store)**
- ✓ **Highlighters**
- ✓ **Calculator (mainly for use at home)**

We also thought it important for you to know that the 7th grade expectation is that your child will need to spend an average of 1½ hours each night on homework. Organization and good work habits will be keys to success.

We hope this information will help as you do your school shopping and as you discuss strategies for success in the coming school year. We want your child's transition to seventh grade to be an easy one and are looking forward to a good year together. Welcome!

Dear Families of Incoming Eighth Grade Students,

It is often difficult to know exactly what supplies your child will need for the school year. Having an idea of what is needed in your child's classes may make shopping for school supplies easier and less time consuming. The eighth grade teachers have put together a list of suggested items that should be purchased prior to the student's first day. Please note that some of the subjects have specific needs.

- Small (one inch) 3 ring binder
- Graph paper notebook (Math)
- Scientific calculator
- Large three-ring binder or Trapper
- Loose-leaf filler paper
- Package of five pocket folders (for inside the binder)
- Pens (red, green, blue and black)
- Pencils
- Highlighters
- Memory stick/flash drive

The large three-ring binder will be used for four subjects: Social Studies, Language Arts, Content Reading and Science. There should be a separate section for each subject. Math requires a graph paper notebook. Students should have their own scientific calculators.

We hope this list will help as you do your school shopping. We want to try to make your child's transition to eighth grade an easy one. Welcome!
